

# LNHS BAND PARENT VOLUNTEER FORM

We need your help! It takes an immense amount of parent support for our band program to be successful. We would like to see about 20 hours of service from each student's parent(s). Many parents give much more than that.

**Fall Concession Stand:** This is our largest source of funds for the entire band program. The main activity occurs between 6:30 and 10:00 p.m. for Varsity footballs on Fridays and for Junior Varsity football games on Thursdays. We also run the concession stand during soccer games on Mondays & Wednesdays. It's a great way to meet other parents and we need everyone's help! Please indicate any preferences below:

Pursue new fundraising ideas

**Battle of the Bands Contest:** This contest takes place in the Spring. This is a student-run contest for local bands with at least 3 members who are under the age of 21. It's a blast for our students and a great fundraiser for our band program! We need help with advertising, getting sponsors, ticket sales, and prizes.

**Fourth Annual Pops Concert & Silent Auction:** This activity takes place in May. This is both a dinner and a Silent Auction - each of our school bands performs. The silent auction features about 25-30 themed baskets filled with all types of items as well as corporate sponsored items. This event is a great evening for your family and friends and is another great fundraiser for our band program! We need help with advertising, ticket sales, dinner planning, decorations, and coordinating the silent auction baskets.

**Publicity:** Placement of ads and articles in local newspapers about band events and accomplishments.

**Awards:** Help make arrangements for band awards

**Soliciting Band Sponsors:** If you have a special talent for soliciting funds, or if your company might be willing to sponsor our band, please let us know!! This would be an awesome help!

**OTHER WAYS YOU WOULD LIKE TO HELP:** If you have other ways or special skills or talents that you would like to offer, just note them below!
