SCRIP/GIFT CARD: Our Year-round Fundraiser

WHAT:

The *scrip/gift card* program is an easy fundraiser for our band! Our Wildcat Band needs to raise funds for additional uniforms, new instruments, and travel expenses. This fundraiser will provide our bands a year-round way to collect funds for these needs! The student's families will order and pay face value for gift cards for the stores of their choice. Students are also encouraged to solicit orders from other family members and friends. You can even ask family members who live elsewhere in the United States to order gift cards because the stores participating are all over the U.S. When you purchase a gift card, you pay only the face value of the gift card and get the full value of the gift card. The stores then give a percentage of the purchase price back to the LNHS band.

HOW:

Attached is an order form with a list of store merchants along with some frequently asked questions. To place an order, simply fill out the order form with the quantities needed. Add up the total amounts being ordered and make a check out to **LNHS Band Boosters**. Be sure to include your contact information so we can reach you if there is a question about your order. We also need to know if your student is authorized to pick up the cards when they come in. PLEASE KEEP IN MIND THAT GIFT CARDS ARE LIKE CASH and we can't be responsible if they are lost or stolen. Return the order form, along with a check, to the "black box" in the band room by the dates listed below. Orders received by Thursday will be returned by Wednesday of the following week. Additional forms will be available in the band room or can be found under the fundraising tab on the LNHS band website: www.lnhswildcatband.com.

WHY:

The amount of money we **can** make through this fundraiser is HUGE! For example, if your family spends \$50 per month at retail stores, \$50 per month at restaurants and \$120 per month at gasoline stations during the next 9 months, our potential profit from just those purchases would be over \$150. We have over 150 families in our bands, so our fundraising through this program could be huge! And this is without changing what you normally do anyway. With a little planning, you could help our band program a great deal! **Remember holidays, birthdays, teacher gifts and other special occasions too!** There are over 100 different gift cards for purchase. Thank you for supporting our Lake Norman High School Bands!
